NPU-I WINDSHIELD SURVEY COMMUNITY ASSESSMENT PRESENTATION

Name: Oluwadamilare Adekunle

MPH 505: Fundamentals of Public Health

Dr. Brenton Powers, EdD, MPH

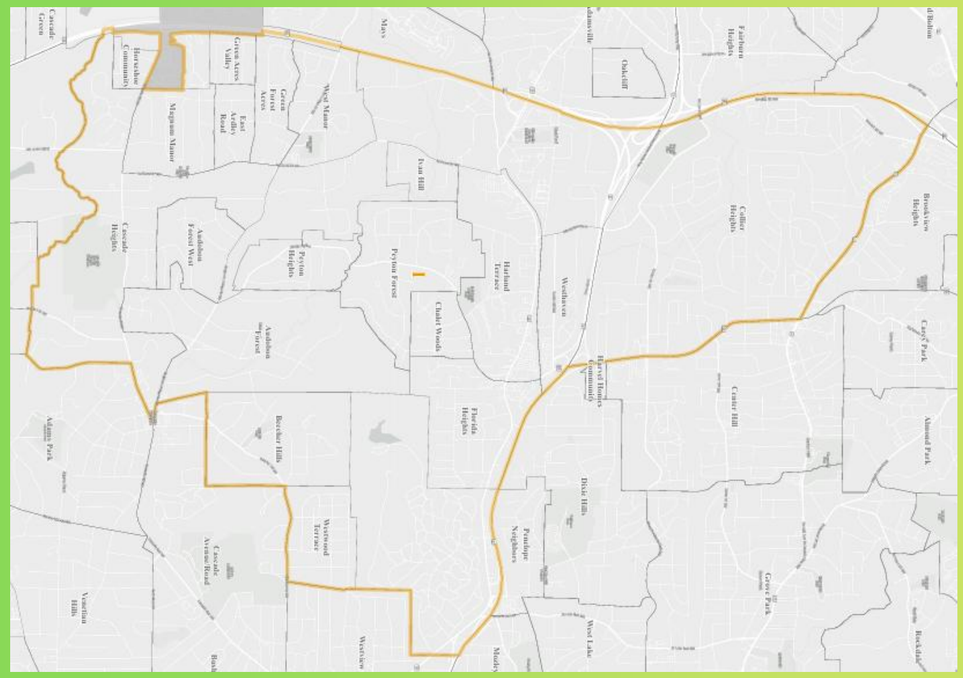

November 16, 2025

Table of Contents:

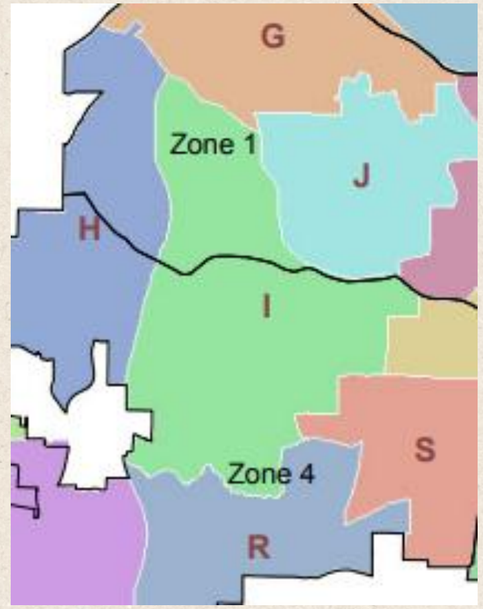

1. Boundaries
2. Housing and Zoning
3. Signs of Decay
4. Hazards
5. Common Areas
6. Parks and Recreational Areas
7. Industries
8. Stores
9. Services Provided
10. Protective Services
11. Transportation
12. Communication
13. Politics
14. People in the Community
15. Ethnicity and Race
16. Religion
17. Health and Morbidity

Boundaries

- Audobon Forest
- Audobon Forest West
- Beecher Hills
- Cascade Heights
- Chalet Woods
- Collier Heights
- East Ardley Road
- Florida Heights
- Green Acres Valley
- Green Forest Acres
- Harland Terrace
- Horseshoe Community
- Ivan Hill
- Magnum Manor
- Peyton Forest
- Rosalie H. Wright Community Council
- West Manor
- Westhaven
- Westwood Terrace

NPU–I neighborhoods vary depending on organizational recognition or referral (19–23 listed).

Commonly acknowledged 19 neighborhoods (Audubon Forest, Beecher Hills, Collier Heights, etc.).

Major highways: I-75, I-85 (classified as Downtown Connector), I-20.

Subcommunities exist (Legacy King Walk HOA, Lynn circles, Veltre estates).

Boundaries defined by zones (1 & 4), ZIP codes (30310, 30311), council districts (9–11).

(City of Atlanta, Department of City Planning, 2016)

(Esri, & contributors, 2023)

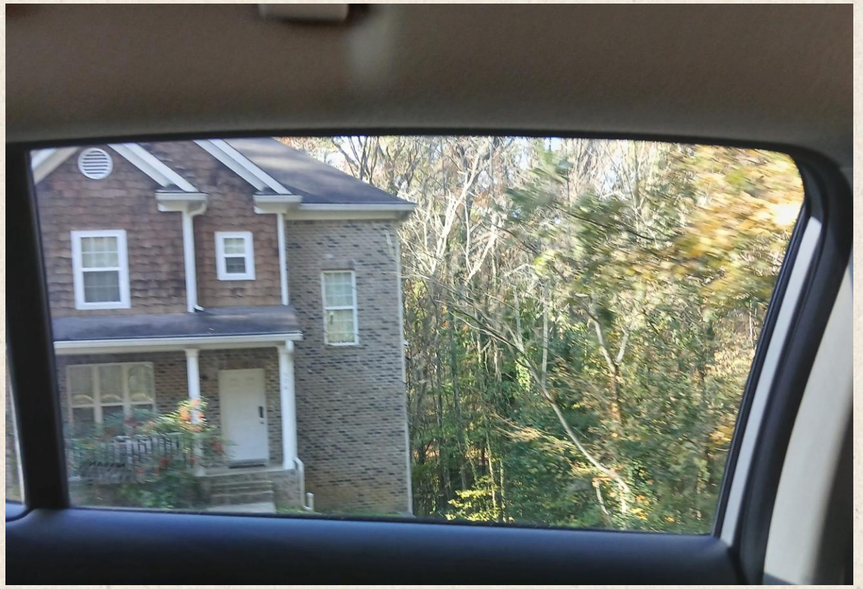

(Neighborhood Planning Unit I, n.d.)

(City of Atlanta, Department of City Planning, 2024)

(Atlanta City Council, n.d., Wikipedia contributors, 2025)

Housing and Zoning

- Homes built as early as 1930–1948; ongoing development.
- ~10,089 housing units; 1.7% built after 2020.
- Mix of single- and multi-family dwellings.
- Household composition: relatives (12.9%), nonrelatives (4.1%).
- Housing costs range $25,000–$1,100,000.
- Zoning representative: C. Delores Lee Furlow.

(Wikipedia contributors, 2025)

(Atlanta Regional Commission, & Neighborhood Nexus, n.d.)

(City of Atlanta, 2025)

(Homes by Marco, 2023)

(City of Atlanta, Department of City Planning, 2024)

Signs of Decay

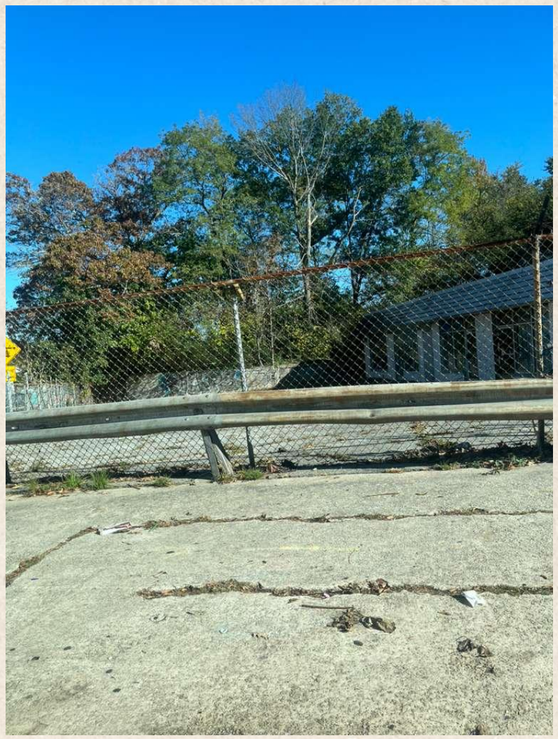

- *Mostly well-maintained neighborhoods.*
- *Issues: stagnant water, torn posters, weeds/vines.*
- *Vacant lots with lease signs; abandoned charred building.*
- *Rodent hiding spots in overgrown areas; rodent control devices near restaurants.*

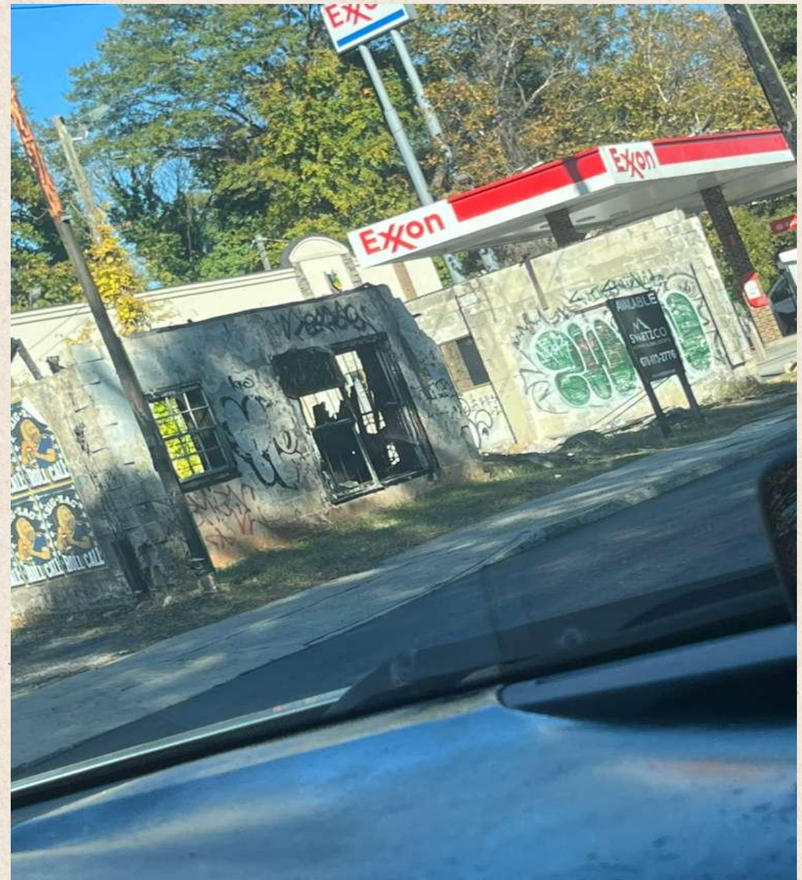

Hazards

- *Streetlamps missing in some streets or dim in some areas.*
- *Sidewalks are present in most areas; absent near USPS Cascade Heights.*
- *Roads worn in some places; traffic lights and speed limit signs are functional.*
- *Crime data (Esri, 2025): persons (560 victims), property (918 incidents), society (604 incidents).*

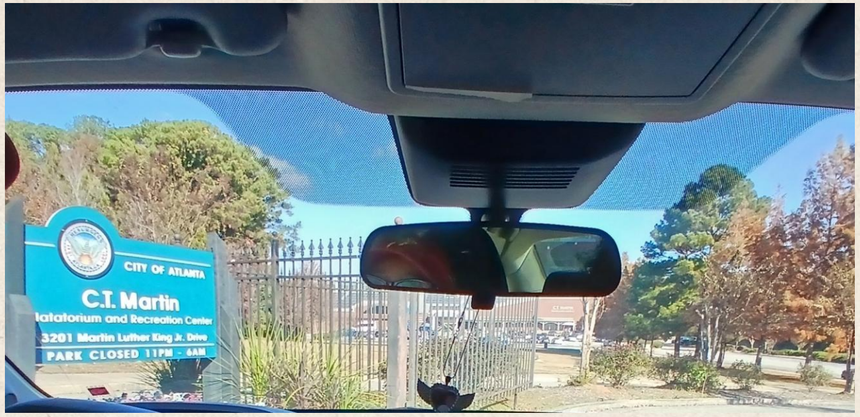

Common Areas

- Gathering spots: gas stations, parks, restaurants, barber shops/salons. (e.g., The Barber Loft)
- Golf courses: John A. White, Alfred Tup Holmes.

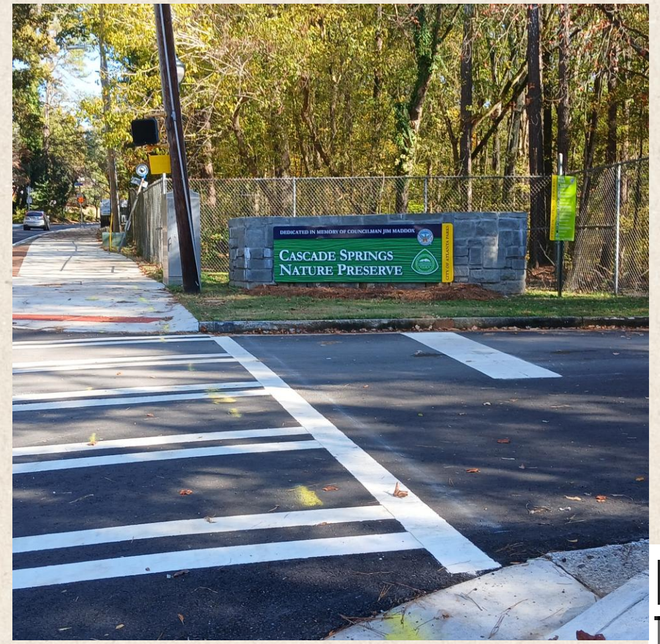

Parks and Recreational Areas

- 18 maintained parks (Beecher Park, Lionel Hampton, etc.) (Neighborhood Planning Unit I, 2023).
- Recreation areas in churches (Providence Missionary Baptist, Trinity A.M.E.).
- Community centers: West End Family Life, Anthony Flanagan, Adams Park (City of Atlanta, Department of Parks and Recreation, 2024).
- Weekday vs. weekend usage differences.

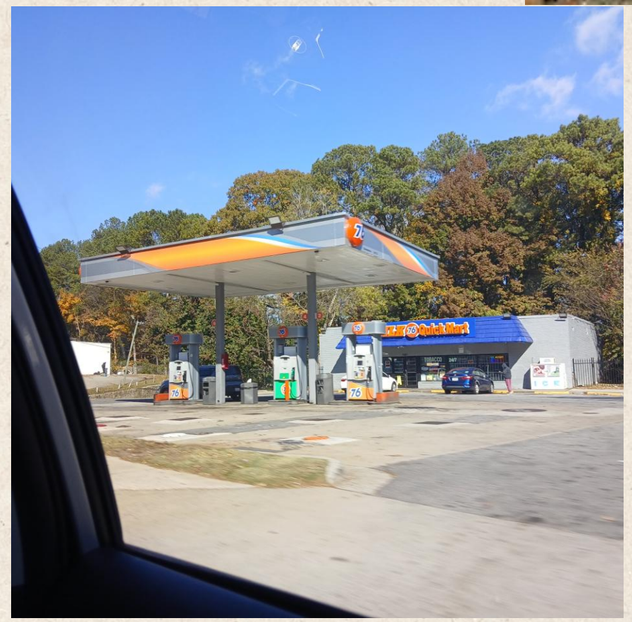

← Lionel Hampton

[Beecher Park; Beecher Triangle; C.T. Martin Recreation Center*; Cativo and Dogwood Beauty Spot; Cativo Circle; Cumberlander; Dale Creek Park; Edgewater Circle; Isabel Gates Webster Park; Jennie Drake Park; Larchmont Circle; Lionel Hampton; Magnum and Lynhurst Park; Oriole Park; Prairie View Beauty Spot; Sandpiper Circle; Veltre Circle; West Manor Park]. (Neighborhood Planning Unit I, 2023). Families with children spend time there.

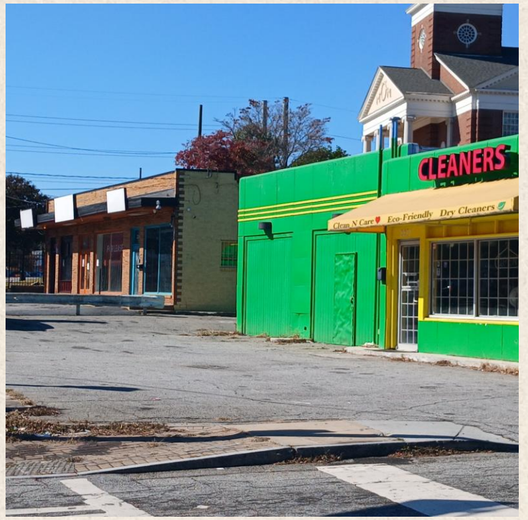

Google maps (Culture South Fermentation Co.)

Industries

- Observed industries: laundromats, construction, transportation, auto shops, restaurants, salons, breweries, metal finishing.
- Occupations: service, construction, legal, retail, transportation.
- Workforce distribution: arts & sciences (36.8%), sales/office (22.7%), maintenance/construction (4%) (Atlanta Regional Commission, & Neighborhood Nexus, n.d.).

Stores

- Stores: laundromat, pharmacies (CVS), groceries (Wayfield), furnishing, beauty supply (J & J, Beauty Exchange).
- Transportation to stores: Waymo, walking, cars, buses.

Services Provided

- Schools: Therrell HS, Russell Academy, Sylvan MS, Beecher Hills ES, Peyton Forest ES, etc.
- Programs: Atlanta Teens Leader, Culture Club, after-school programs.
- Social services: Foreverfamily Inc., African Community Center, Redeemed Outreach.
- Healthcare: Family Health Centers of GA, CVS MinuteClinic, DaVita Dialysis, Kaiser Cascade.
- Pharmacies: CVS, Kroger, Wayfield, MLK Pharmacy.
- Employment: Next Step Staffing.

Google maps (African Community Center)

(City of Atlanta, Department of Parks and Recreation, 2024)

(The Family Health Centers of Georgia, Inc., 2025)

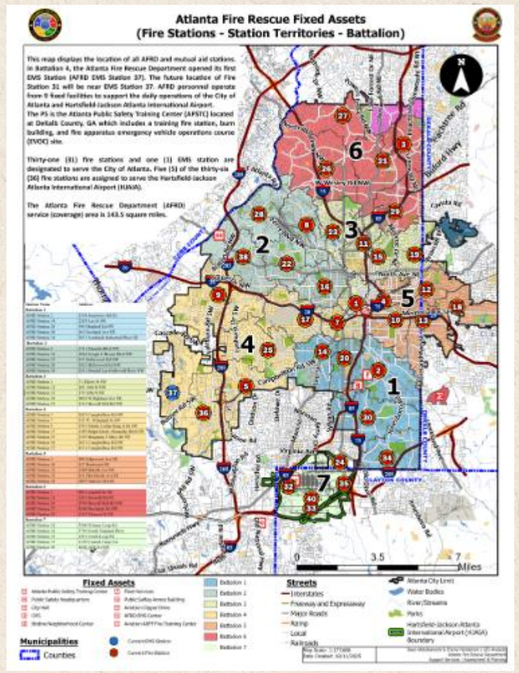

← Google maps (Atlanta Fire Rescue Department Station 5)

Protective Services

- Fire stations: AFRD 5, 7, 17, 25.
- Police: Zone 4, MLK Mini Precinct, Chief Darin Schierbaum.
- Services: e-scooter safety, watches, safety tips, LIT lanes.
- Proximity to Atlanta Public Safety HQ.

← Google maps (Small Police Precinct – Zone 4)

(City of Atlanta, Fire Rescue Department, 2025)
(Atlanta Police Department, 2025)
(Atlanta Police Department, 2022)

Transportation

- *Residents use cars, buses, walking.*
- *Frequent bus stops; MARTA Hamilton E. Holmes station.*
- *Observed bus usage (older adults, some women, no children).*
- *Streets: good, narrow, clean, dented (potholes).*

(Marta, 2025)

← Hamilton E. Holmes Marta Station

Communication

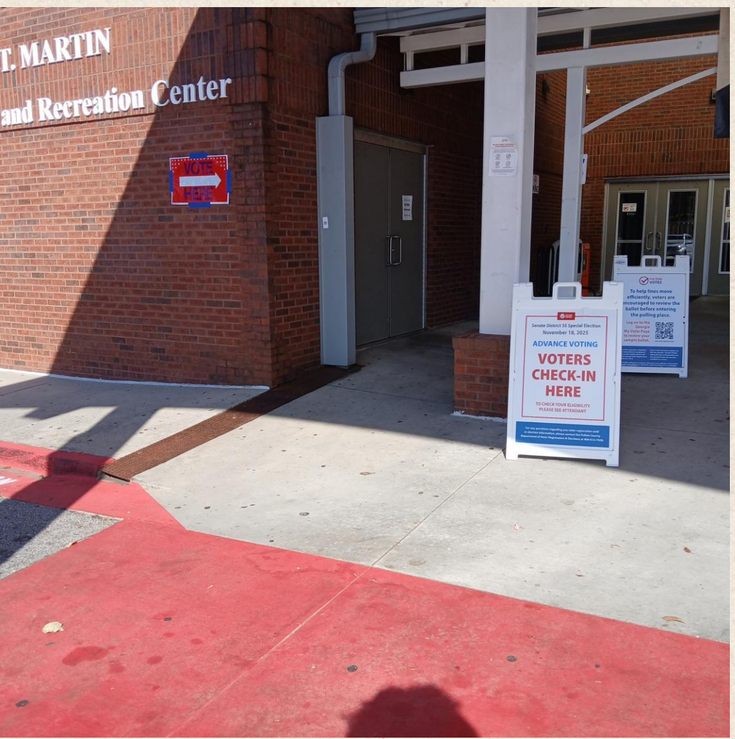

- No newspapers, magazines, or radio observed.
- However, posters and billboards are present.
- English only language observed.

Politics

- Voting at C.T. Martin Natatorium; early voting for Senate District 35.
- Presence of political signs (Charles Bourgeois, gun regulation).
- Council districts for this NPU: Hillis (9), Boone (10), Overstreet (11).
- NPU-I leadership: Chair C. Delores Lee-Furlow, Planner Susan Coleman.
- City leadership: Mayor Andre Dickens, Council President Doug Shipman.
- Federal: Rep. Nikema Williams, Senators Warnock & Ossoff, Gov. Brian Kemp.
- County: Commissioner Khadijah Abdur-Rahman (District 6).

(City of Atlanta, Department of City Planning, 2024)
(Atlanta City Council, n.d.)
(Ballotpedia, n.d.)
(Fulton County Government, 2022)

People in the Community

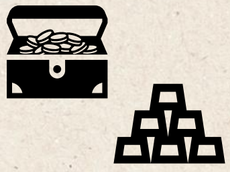

- *Daytime: middle-aged and older adults; children after 2:30 p.m.*
- *Mix of social classes; Collier Heights classified as middle-class.*
- *Household income diversity: < $10k (12.1%), $50–74k (15.6%), $150–199k (5.5%).*

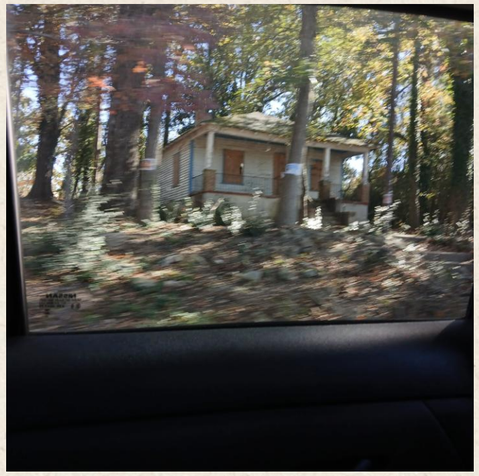

$10K

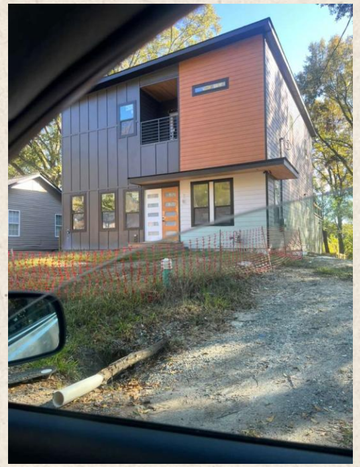

$150K – $199K

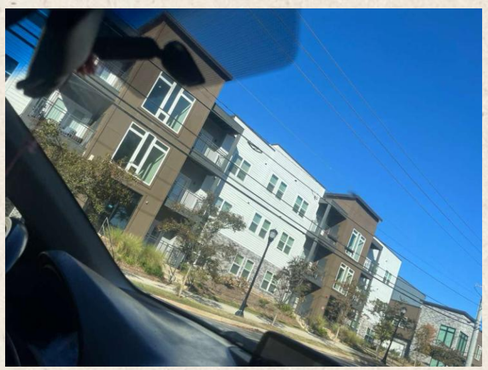

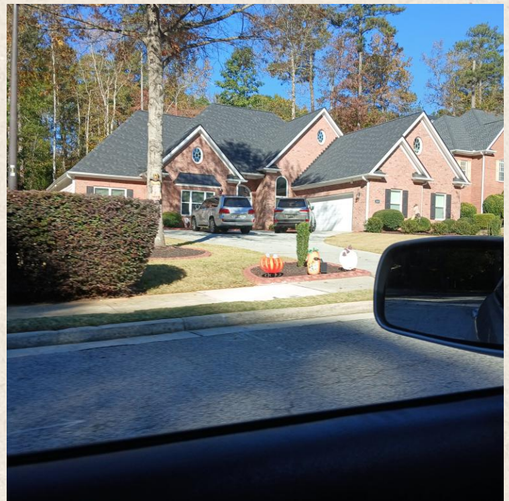

$50K – $74K

(Wikipedia contributors, 2025)

(Atlanta Regional Commission, & Neighborhood Nexus, n.d.)

Ethnicity and Race

- *Population ~20,459.*
- *Predominantly Non-Hispanic Black/African American (89.9% alone, 92.6% combined).*
- *Non-Hispanic White (2.4% alone, 6.3% combined).*
- *Hispanic/Latino (4.4%).*
- *Other races (4.7%).*
- *Businesses reflecting identity: African Store, Shrine of the Black Madonna, Ar-Rahman Islamic Center, Black Star Educational Institute.*

Google maps (Black Star Educational Institute)

Google maps (African Store & Afro Centric Network)

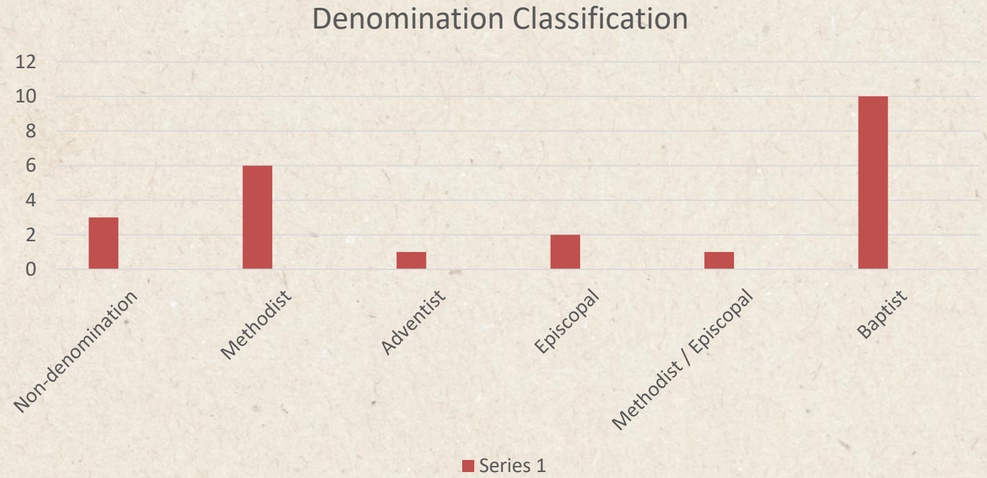

(Atlanta Regional Commission, & Neighborhood Nexus, n.d.)

(Black Star Educational Institute, 2025)

Methodist churches are (6): West Side Community C.M.E. Church, Cascade United Methodist Church, Calvary United Methodist

Religion

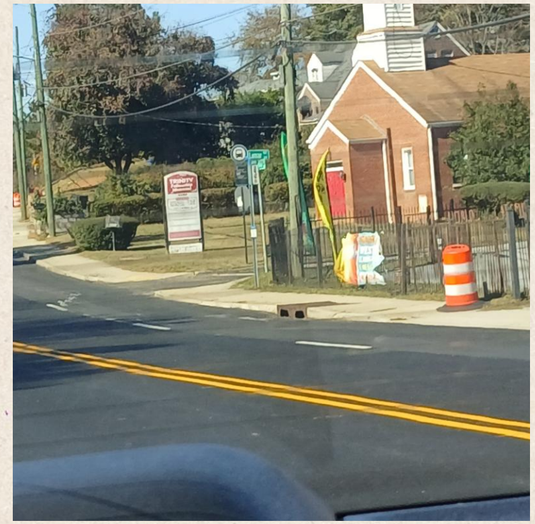

- Non-denominational (3), Methodist (6), Adventist (1), Episcopal (2), Methodist/Episcopal (1), Baptist (10).
- Church-run school: Trinity A.M.E. Early Learning Center.

St. Paul Episcopal Church →

← Providence Missionary Baptist Church

← Trinity AME Church

Baptist churches within this area are (10): West Hunter Street Baptist Church, New Horizon Baptist Church, Mount Vernon Baptist Church, Great New Light Missionary Baptist Church,

Health and Morbidity

- Health issues: weight, sickle cell, kidney disease with DaVita Dialysis and Sickle cell Wellness center presence.
- Absence of health insurance coverage within the civilian non-institutionalized population (21.7%), for populations under 22 years (26.5%), and for populations between the ages of 22 and 69 years—employed (approx. 20.8%), unemployed (approx. 20.5%), and not in the labor force (approx. 47.1%)—could potentially lead to higher morbidity outcomes
- Poverty and high Community Need Index (~69%).
